"For this you have been called, because Christ also suffered for you, leaving an example so that you might follow **In His Steps**" 1 Peter 2:21

Sebastien's Personal Testimony

“To God's elect, strangers in the world, who have been chosen according to the foreknowledge of God the Father, through the sanctifying work of the Spirit, for obedience to Jesus Christ: Grace and peace be yours in abundance. Praise be to God, in his great mercy he has given us new birth into a living hope through the resurrection of Jesus Christ from the dead”(1 Peter 1:1-3)

The Lord in choosing me, he set me apart with a great difference in my call to His service. The Lord our God gave me grace by sending on my way distinguished people who are supporting me through Steppin-Out Missions. I was offered (4) four years studies at the African Bible college University (ABCU) Yekepa Campus of Liberia. I am one the first of my village to receive such call and the opportunity to even study outside of my country the first of a francophone country to graduate in that School. What a privilege? I therefore saw myself engaged in the great ministry and my personal involvement in evangelism and church planting; despite the cultural and language differences I was blessed to be a part of wining 3 villages and one refugee camp in Liberia for Christ. Those churches I always remember each of them in my prayers. The successful completion of my 4 years study at ABC University was approved by a **Bachelor Degree in Mass Communication and Theology**. This is the opening point of many more doors in the service of the Lord as *I am joining my older brother in*

work for our local church, design and plan new strategies for more efficiency in evangelism, and the administration of the Church, as well as the opening of our Bible Training Center.

Nevertheless we are still hoping for the government to grant us the license as we continue to pray for the opening of a new Christian local Broadcast Radio Station to disseminate the Good News of Jesus Christ through the Media.

Please pray for us and the work the Lord has assigned Jacques and I to as God keep us on the right pathway for glory and honor be to God, in Jesus' name,

AMEN!!!
