Greetings Faithful Supporters,

I would like to share with you a brief message of gratitude from Jacques and the new Bible School students in Golikro. Jacques writes that classes started on Monday with 12 students and 2 more will be joining soon. He said it was raining very hard so travel for some of them was difficult, but they began classes with those able to make it. These photos attached show the students holding Thank you cards that Jacques made 😊 and one with their Study Bible and first book of their studies.

Praise God with your support and sponsorships ALL students expenses have been covered for their 2 yrs of training, housing, food, travel, etc; plus we have received enough sponsorships to sponsor an additional 13 students when that need arises. Through your love, sacrificial giving and prayers we have also raised nearly \$30,000.00 for the new truck that was needed for Jacques. What an incredible blessing and affirmation this is to the work God is doing in Ivory Coast. Thank you for the encouragement this brings to Steppin Out Missions and to our dear Brother Jacques.

"But truly God has listened; He has attended to the voice of my prayer. Blessed be God, because He has not rejected my prayer or removed His steadfast love from me!" Ps. 66:19-20 (ESV)

With deep gratitude,

Shirley Corley
