

SOM Partners,

Below is my recent message from Jacques expressing his gratitude for the equipment we were able to help purchase for his life in the Village of Golikro. Thank you to ALL who helped with this need!!

I've attached a few pics of his purchase. If you access FaceBook, you can see additional pics and videos. Just log onto my page, Steppin Out Missions, or Ya Kouassi Jacques's page.

Hi Papa and Mom and all our supporters. I am writing this note to tell you first of all Thank the Almighty God and you and His partners of Steppin Out Missions for providing to our local ministry these great machines that will be a tremendous blessing for our agriculture projects. We usually have to do all our gardening, preparing the soil and clearing old trees with our bare hands and physical strength. I Praise The Lord for His goodness! This family appreciates these gifts and we keep praying and giving thanks to our Lord Jesus for His great love for us. I give thank to SOM, to everyone who provided the financial support to pay for such valuable equipment to help our ministry here in the Ivory Coast. Big thanks to everyone who pray for us and for our ministry.

Through your significant support to, Lives are being transformed and the holistic life of our peoples is demonstrated.

May God bless you guys more and more.

To God be the Glory!!!
