Hello Dear Faithful Supporters,

Just a brief message to say Thank you and to Praise God for His people answering the call to support Jacques and the needs I brought to you in my last email. It is not only encouraging, but affirming in the fact that God wants to continue the work at the Bible Training Center in Golikro, Ivory Coast West Africa. I praise Him for taking that message and using it to speak to hearts, to come alongside these dear Pastors in the Villages of West Africa and support them in their desire to learn God's Word and to know Truth!!

Let me report to you that as of today, Monday March 13<sup>th</sup> 2023 we have sponsorships for 21 students!! **Yes, 21!**

I know my request was for 11, but Jacques has since been approached by several more wanting to get training. We told Jacques that he had the freedom to invite as many as he (and those teaching) could handle in the classrooms and we would get the sponsors 😊. Our God has plans that we must trust! Thank you, Thank you for your partnership in sponsorships.

Next, in my previous email was the great need for a vehicle (truck) for Jacques. You have answered the call for this need as well – we have raised \$21,000.00 thus far for this request. Praise God!! Our goal was \$22,000.00 - \$36,000.00 > Jacques will need updated insurance, registration/license plates, driver's license renewal, etc). We are nearly there and confident that the Lord will supply the need through His people. Thank you to those who have contributed to this need. To God be the Glory!!

If you/your church have not yet responded but are planning to be a part of meeting these needs, please let me know. Perhaps the church as a whole, a Sunday School class, a Life group, Care group, the Youth dept, etc would want to sponsor a student together, this would be awesome. Again, let me know.

You have been such an incredible blessing to us personally, to the ministry of Steppin Out and to the Gospel Of Christ!!
